

Flathers Precision Inc. Terms and Conditions

Product Order Terms and Conditions

1. All invoices must have the same price(s) and terms as called out in the Purchase Order/Quote.
2. Goods not in accordance with all specifications and Purchase Order requirements will be rejected.
3. All rejected parts will be held at Vendors risk for return or disposal at Vendors discretion.
4. Vendor is responsible for all freight cost associated with rejected goods.
5. Flathers Precision Inc reserves the right to cancel any or all items, in whole or part, not delivered within the specified timeframe at no cost to Flathers Precision Inc.
6. By accepting this Purchase Order the Vendor guaranties that all services delivered under this Purchase Order complies with all applicable laws and regulations of the United States of America and the state of California.
7. Acceptance of this Purchase Order or performance or shipment of any part of it constitutes acceptance and agreement to all Purchase Order terms and due dates.

Product Sale Terms and Conditions

1. These materials and/or parts were produced in conformance with all contractually applicable government and or customer specifications as preferred in, or furnished with your purchase order.
2. The materials and/or parts furnished for this purchase order were produced from either materials furnished by the customers for the production of such parts, or from materials for which the seller has available for examination chemical and/or physical test report or other evidence of conformance to applicable specification.
3. Any process required in the production of these parts and/or materials were performed by a facility or personnel specifically approved or certified when such approval or certification is required.
4. An RMA number MUST be obtained BEFORE non-compliant materials may be returned. RMA numbers WILL NOT BE ISSUED for parts after 15 DAYS or for parts that have had been modified, assembled or other manufacturing processes performed on them.
5. Seller can not be liable for products sold, which had operations or processes performed on them after acceptance through buyers Q.C. System.
6. Unless otherwise specified all products contained in this shipment were manufactured by or for Flathers Precision, Inc. In the United States of America. The only exceptions may include raw materials unless specified in the customer Purchase Order as requiring DFARS compliance, in which case those materials are compliant
